RenderPAK²

TREES, BUSHES & BOATS includes 6 libraries on a CD-ROM with:

Over 100 images of trees and plants in outline, gray, silhouette form and plan views.

Over 50 images of sail & power boats -from dinghies to luxury yachts in elevation and action view.

Documentation with a thumbnail catalog for reference as well as Tips and Hints!

Every drawing needs a few persons or cars to "give it life" or scale. — even on a MAC!

You may not have the time to draw those images, but you do have PowerCADD/DRAW™.

Now you can have...
